To print 11''x14''
use 05_PrintName_RCgraphicsPrints_11x14.jpg

You can print the files at home or take them to your local printer. You can also upload them to an online printing service. Our prints look best on white satin or matt paper stock, however it's a personal choice and you may prefer to go with a gloss paper stock. Send me a message if you have any questions.

Don't forget one thing, stay creative!
Thanks again!
